Certification Exam Annual Statistics 2022 Report

Report

This report provides an overview of statistics for both the Group Exercise Instructor (GEI) certification examination administered by the National Aerobics & Fitness Trainers Association– Certification Board from January 1, 2022 to December 31, 2022. The examination discussed in this report was administered in a number of locations throughout the United States and Internationally at different times throughout January 1, 2022 to December 31, 2022. The data from these administrations have been combined and serve as the basis for the statistics appearing in this report.

The GEI certification examinations were administered via paper-and-pencil format using computer-scan answer sheets (i.e., Scantron®) under secure, independently-proctored arrangements.

Table 1 summarizes the statistics for all GEI examinations administered for the period of January 1, 2022 to December 31, 2022. Statistical reporting of the passing score, pass rate, and average score are based solely on candidates' responses to the 100 scored items appearing on each form of the exam. Additional data including standard deviation, standard error of measurement, decision consistency, and reliability estimate are available upon request.

Exam Form	Scored Items	Passing Score	Number of Candidates	Pass Rate	Average Score
Group Exercise Instructor (V-1.0)	100	70	24	41.6%	50.6%

The NAFTA Group Exercise Instructor credentials are valid for two (2) years from the date of issue. NAFTA-certified exercise professionals must earn a minimum of fifteen (15) continuing education units (CEUs) prior to the designated expiration date to renew their certification. **Table 2** summarizes the total number of exercise professionals holding NAFTA certifications as of December 31, 2022.

NAFTA Credential	Total Certified
GROUP EXERCISE INSTRUCTOR	30
